Dear school authorities,

I thought for a long time about this subject and I am lucky to say that I have chosen one variant of an event. And now I want to tell you my ideas. This event is called "True Russian Families". It would be a competition between families. They would compete for the right to be called "an ideal Russian family". There would be three categories on this event. They are: Family traditions, Family unity and Family cooks traditional Russian dishes. This event should provide three judges who would choose the best family in every category. These judges should be famous people from our region. Their commitment would be to choose the best family according to Russian traditions. They should decide fairly. As for participants, all the families should be full, and contain a mother, a father and two children. The children of these families should be students of our school, of course. These families should have mutual love and unity. Value of this event is obvious. Such an event can show the students of our school a true traditional and happy Russian family. Students can learn new facts about Russian families. So they can attain such family in their future. They would learn that a real Russian family can contribute everything for people whom this family loves.

That's all for now. I hope you would like my ideas. I believe you will answer soon.

Best wishes,

Jane
