## Writing (10 points) My grandson George

180-220 words

I want to tell you story my grandson George. It is very old situation.

In one day my grandson come to my home. His parents decided to sent him to me, because it was autumn holidays in school. I know that George is very energy boy. In one day I was watching TV, when I learnt that something was broken. I come into hall and see that George had broken the window. I was so furious and began to scream at him. Then George threatened me that he may leave the house. I think that he joked and said that I would be happy if he do it. And he ran away from the house. I went to living room and began to read magazine.

For three hours later I became nervous. I was pacing the floor, when decided to find him. I went to the street and ... began to look at him. After that I come home, but George didn't found.

Suddenly the ball hurt my head. I was shocked. Then my grandson ran out of the house. I embraced him and say "Sorry".

We went to watch TV together. And after week he went to his parents.
