My summer Holidays.

This summer holidays my father, my brother and I travelled in Dagestan. It was an amazing travelling.

One day we went to mountains. It is sunny day. Part 8.

I never forget the day when we go to mountains.

Everybody has a bag. In my bag were food, camera and socks.

When we in the top of mountains I see that I have n't my bag. I don't remember where I lost my bag. Part 8.

Father was angry. I went back to and I found my bag in the beginning of our road. It was sunny and hot day and

I didn't want to go to the top of the mountain. But I must do it because my father and brother waited me. Part 8.

I was tired but it was funny for me. I learned a good lesson that day. Everybody must be careful everywhere.

It was unforgettable day, we were very happy.
